Directions to the National War College Fort Lesley J. McNair, Washington, DC

Directions from Virginia:

- Coming north on Route 395, **cross the 14th Street Bridge**. (If you are in the HOV lanes, keep to your right and follow the sign towards 12th Street. You will then merge with the non-HOV lanes.) Once across the bridge, **avoid the 12th Street exit**, then **take the next right exit to Maine Avenue**. This puts you onto 9th Street. Proceed through the stop sign, then get into the left (turn) lane before the light. **Turn left at the light onto Maine Avenue**. In a few blocks, this **road will turn into M Street**. After several blocks you will come to 4th Street (a Safeway grocery store will be to your left). **Take a right onto 4th Street**. After going straight for a few blocks, it will curve around to the left on "P" Street. See "Driving on Campus" below.

Directions from Maryland:

- **FROM 270**. Take 270 South to 495. At the fork, keep to your right. You will merge into 495 South. Then, watch for the exit, "George Washington Parkway"-- after you cross the American Legion Bridge that overlooks the Potomac River, you will bear right to the "GW Parkway" exit. Once on the Parkway, drive all the way to the end. Make a right turn and keep straight for a mile heading toward Reagan Airport. Bear right at the **14th Street Bridge exit, "395 North."** Follow the "Directions from Virginia" above.

Driving on Campus at Fort McNair:

- **NOTE 1: The 24 hour security gate at Fort McNair is on 2ND Street. Proceed two blocks on P Street and turn right on 2nd Street. Proceed about one half block and turn right into the gate.** Show your ID to the gate guard who will have a list of attendees. Follow the attached NWC Campus Map to the War College parking.
- **NOTE 2: You'll need a valid photo ID; all cars may be subject to search, and the 20mph speed limit is energetically enforced.**
- **Handicap entrance** is located on the right side of the building on ground level. To get to that entrance you need to proceed toward the Officers' Club after entering the fort and then proceed up the road toward NWC.
